Personal information

I'm a creative digital designer currently residing in London. My experience spans across both digital and web. I'm affluent in the Adobe creative suite specifically Ai, Ps, Id & Xd alongside a strong understanding of front end languages html5, css3, and source control systems such as Git. I work to create pleasant visual experiences with user centric design always at the forefront.

Skills and abilities

- | | |
|-----------------------------|-----------------------|
| Excellent coding | Adobe creative suite |
| High understanding of UI/UX | A keen eye for design |
| Versatile and adaptable | Final Cut Pro |
